Dedication

We, the editors of the 1965 Viking, as representatives of the Senior Class of 1965, would like to dedicate this annual to the school board, the taxpayers, and everyone who has made the Parkview High School a reality.

We, the Senior Class, leave Parkview with the pride and pleasure of being the first graduating class of this new school. Our senior year has been a wonderful experience, which has offered us many new facilities and opportunities. We will treasure the memories throughout our lives and benefit from the experiences which the new Parkview High School has given us.

In Memoriam

GERALD HOFF

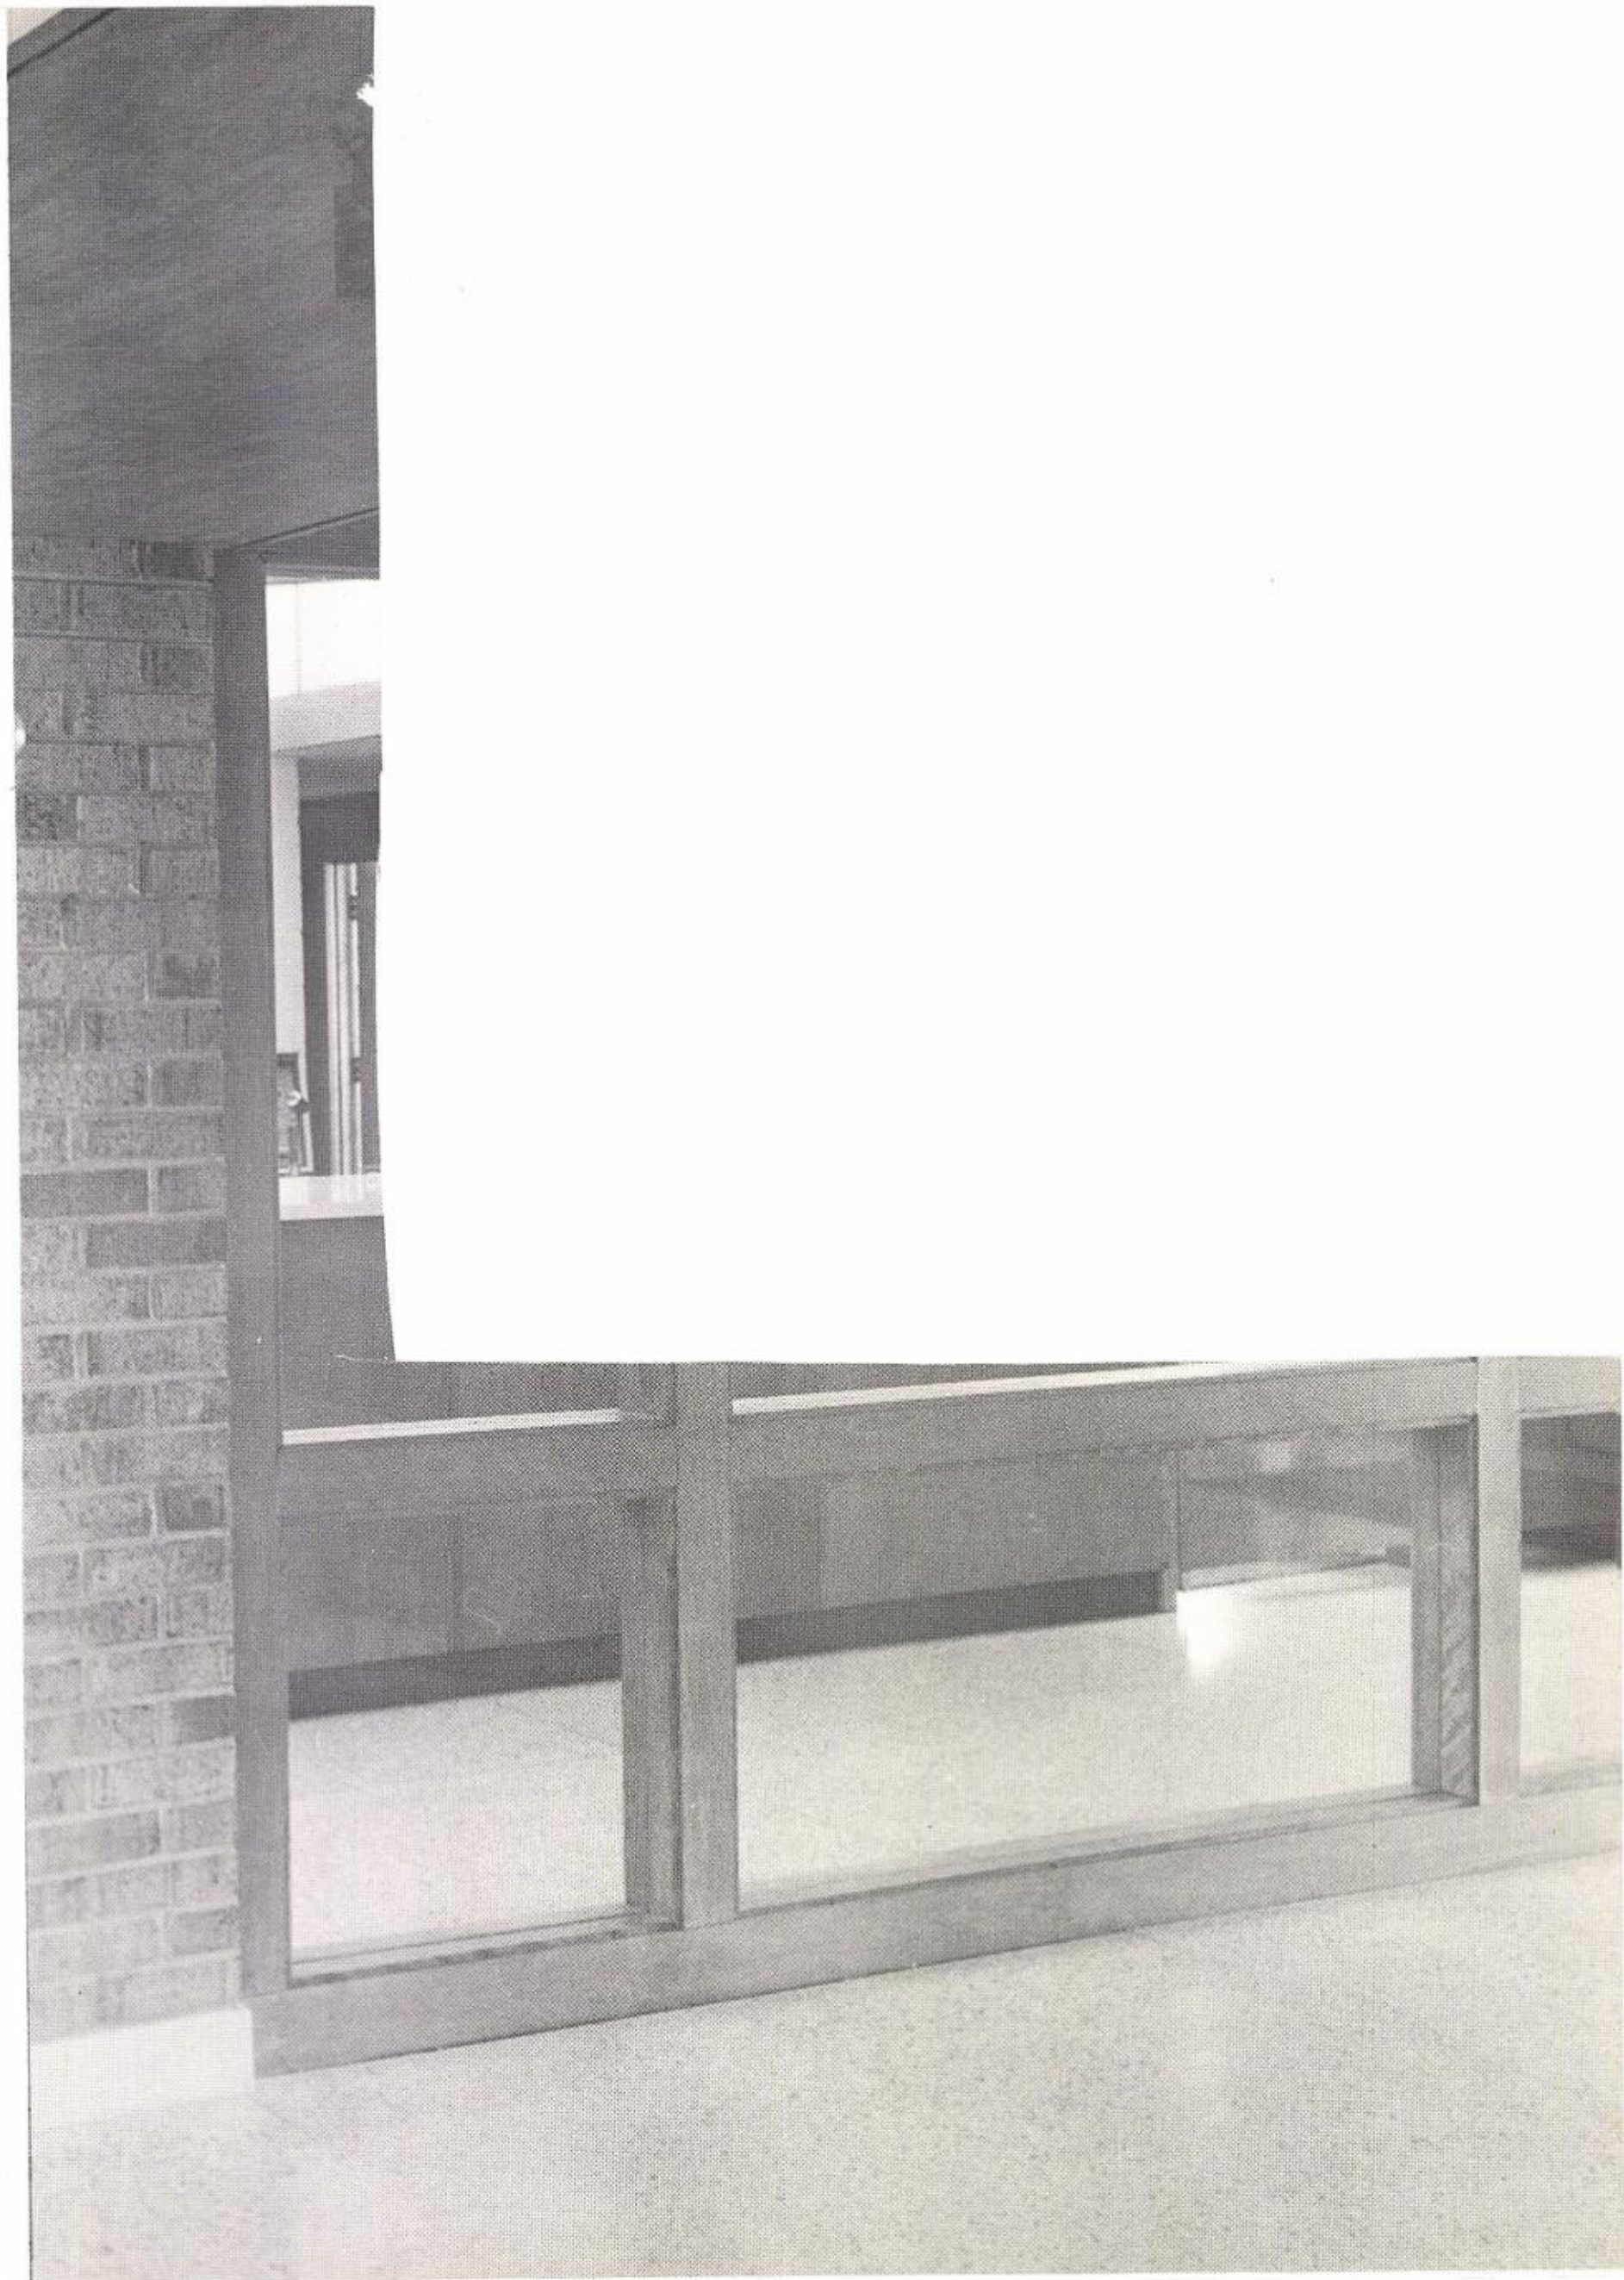

IN MEMORIAM

In memory of Gerald Hoff, whose tragic death on June 28, 1964, was a loss suffered by his family, classmates, faculty, and many friends. We, the Viking staff of Parkview High School, honor the memory of Jerry Hoff in our 1965 Viking. Jerry is remembered by all for his athletic abilities in football, basketball and baseball. He was the "Most Valuable Player" on the football team, as well as a member of the conference championship basketball and baseball teams. His friendly personality and pleasant attitude gained him many friends throughout his four years of high school, and he is truly missed by all.

Supt. Delbert L. McGinnis

A Parting Word - - - - -

The Class of 1965 has the pleasure of being the first class to graduate from the brand new Parkview High. We, in the administration of the school district, hope that you will always be proud of this fact and will look back with fond memories of your senior year at Parkview. At the same time we hope you have profited by your four years in high school. I hope you will give some thought to these parting words: "Every human mind is a great slumbering power until awakened by keen desire and by definite resolution to DO."

Principal Hugh C. Porter

To the Seniors

As graduating members of the class of 1965, you have succeeded in attaining one of the major goals of your life. Graduation, however, should not be looked upon as the terminating point of your educational endeavors. In reality, it is the opening of a door to a world of unlimited opportunities. It is through a continual quest for knowledge and the subsequent self-improvement which accompanies this that you will be able to lead a rich, satisfying life as responsible citizens in this great country of ours.

I sincerely hope you will take the step across the threshold of the "open door" and enjoy the fruits of the future it holds.

Mr. Robert Bartlett, Mr. Stanley Burtness, Mr. Richard Nyman, Mr. Donald Nelson, Mr. Edward Renly, Mr. Alva Selck, Mr. Merwin Abrahamson.

Guidance

MR. DALE BARRY

The counselor's job is helping the pupil to adjust himself personally, educationally, emotionally, and vocationally. As a counselor, I try to help the students solve some of their many problems. I feel everyone needs guidance or someone to talk to about their problems. I wish I could give the students the answers to all their questions, but this cannot be done. However, by discussing some of their ideas and suggesting certain things, I feel the student is able to solve some of his problems.

Some things which we as counselors may use to help students are friendly talks, cumulative records, interest tests, achievement tests, intelligence tests, and vocational guidance materials.

It is the hope of the guidance office that by the time the student passes through four years of high school, he has benefited from his association with the counselor and some of the materials he has received from the guidance office.

Keep on fighting, until your fame
Hold your heads high, lets see your colors fly
There'll be a victory for you Parkview High.

PARKVIEW FIGHT SONG

Oh, fight on for Parkview
With all the spirit we know you have.
And it's fight, fight, Parkview High
Win, Win, Parkview High,
Shout out the victory cry, RAH, RAH, RAH,
Fight on for Parkview
We are the Vikings and we're here to WIN
So we'll Yell and fight, and we'll WIN we know,

SENIOR CLASS

The senior class of 1965 has sponsored several events during the past school year. The events began with a unique half-time program. It was highlighted by the presentation of the queen, Fran White, who appeared on a royal float. The king, Randy Carroll, crowned Fran in the presence of the senior representatives, Nancy Gaarder and Darryl Landsverk. The climax of the homecoming weekend was the dance the following evening.

The senior class takes pride in being the first graduating class of Parkview High School.

Viking Staff

CO - EDITORS

Julie Haugen

Cyndee Tews

The editing of the first volume of the new Parkview "Viking" was undertaken by a large staff. The staff consisted of students from all the classes in school. The editing of the "Viking" was a big project and it took the cooperation of the entire staff to put the "Viking" together.

Because Parkview is a new and a bigger school, the Viking staff decided to make a few changes in the annual. The staff increased the size by adding a larger number of pages. To make the book neater, the staff also decided to go to type reset, which will make the printing clearer and much neater. To stress the idea that Parkview is a new school, we are using many pictures in the annual that will emphasize the new school.

Badger Boys and Girls State are citizenship training projects sponsored by The American Legion. Their purpose is to educate our youth in the duties, privileges, rights, and responsibilities of American Citizenship. The program of Badger State has been developed on the fundamental assumption that youth can best "learn to do by doing", and, in every possible way, the government of Boys and Girls State parallels that of the government of the State of Wisconsin.

Season Review

The fledgling Vikings of Parkview High School fought and suffered through a disappointing season that saw a record of seven games lost and one game won. Its best games were against Belleville and Clinton, both eventual conference champs, Belleville of the State Line and Clinton of the Indian Trails. The Vikings, young and inexperienced, were skilled on defensive tactics but lacked the offensive punch early in the year to push the ball into the all important "picnic grounds", the end zone. The games were:

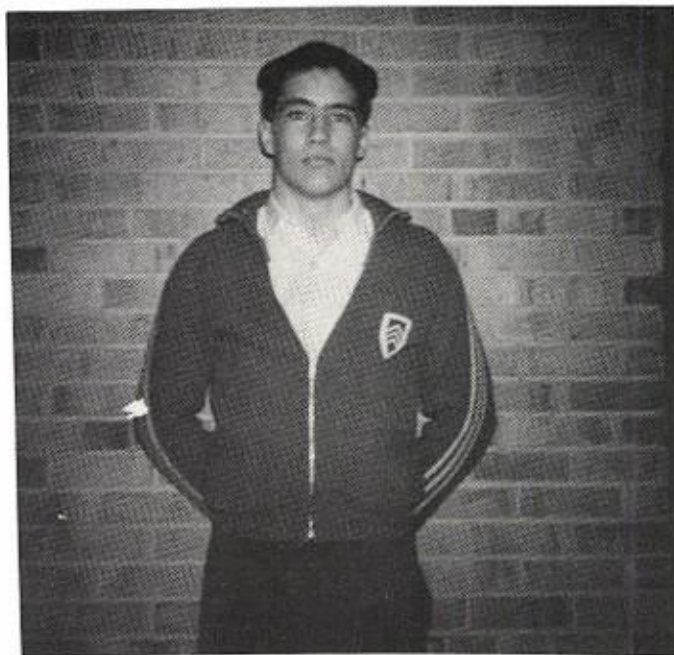

0-14 Clinton
0-20 Juda
0-6 South Wayne
0-38 Argyle
0-13 Brodhead
6-13 Belleville
7-13 Blanchardville
20-0 New Glarus

Blanchardville proved to be the biggest disappointment of the season with the Vikings in the lead 7-0 only to suffer two fatal mistakes, a dropped punt and a long pass over the normally tight secondary.

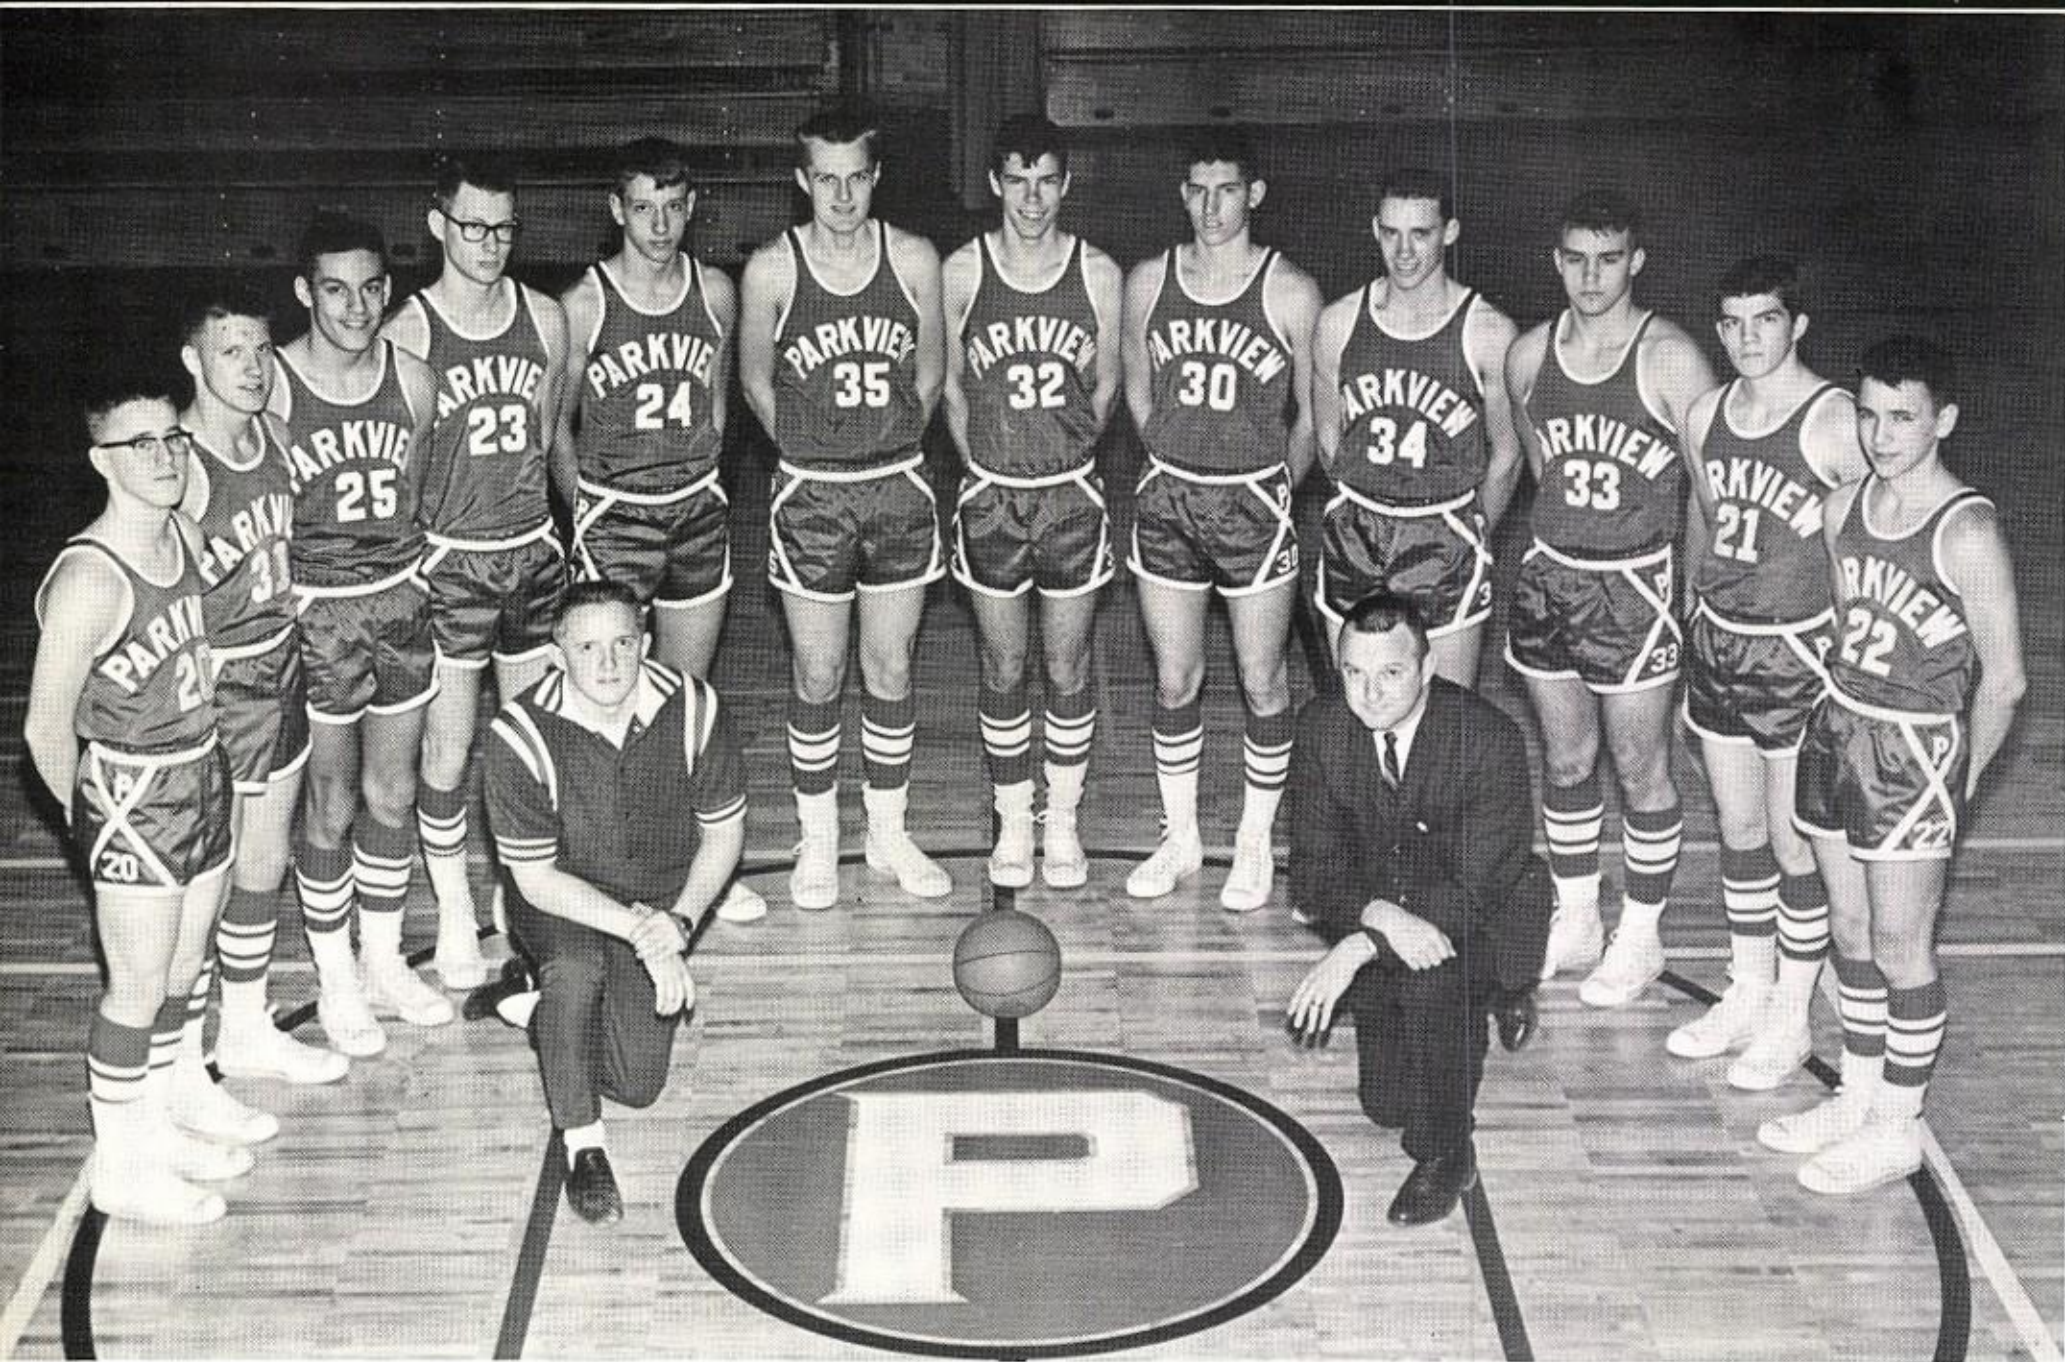

Argyle proved to be a frustrating loss as the young Viking team could not cope with the running of Jim Wyss and the passing of all-conference Jim Burreson.

Frustration turned to glory in the last ball game as the Vikings ran up 20 points against a strong New Glarus team and then kept the Knights away from the goal line with reserves the rest of the game.

The Vikings will only lose four seniors and will return the entire starting lineup plus key reserves. This fact plus the hard lessons of a losing season are raising high the hopes of Viking fans who see a winning season ahead for a great bunch of boys who worked hard all year and are looking forward to next year with great anticipation.

Basketball - Varsity Team

This year we started the season with a young, inexperienced team that developed themselves during the year. Paul Johnson won the area scoring crown the second year in a row with 494 points. Dick Keesey proved to be a valuable rebounder and his scoring improved greatly. Ting Welch was an invaluable ball handler and a good scorer. Two sophomores proved good assets to the Viking squad. Steve Perkins was a member of the starting five and was a fine scorer. Tom Lythjohan was a great ball handler and a good scorer. We lost three seniors this year. Bill Hesgard was a valuable addition to the starting five and a good ball handler. Tom Grenawalt did an excellent job backing the starters. Darryl Landsverk, as manager, was a staunch supporter of the team.

The team offensive average was 48 points per game while the defensive average was 39 points per game. Dale Bladorn was the leading scorer with an average of 11 points per game. Steve Hagen had the best field goal percentage, shooting 58%. In the free throw percentage, Gary Hagen and Rex Jacobs tied with 58%, while Steve Hagen was close behind with 57%.

Wrestling

WRESTLING - The Parkview Wrestlers have had their best season that has ever been in all the years of wrestling in the Orfordville School's history. The team placed third in the conference tournament at Juda in February, the highest they have ever placed in tournament competition. By placing so well the team was able to participate in the regional tournament in Edgerton. The wrestling team will only lose two of their squad members this year.

This was the first individual championship in the history of the conference wrestling competition, excepting Brodhead and Juda.

CROSS COUNTRY - The sport of cross country was introduced to Parkview during the fall of the year. Because of the newness of the sport, there was limited turn-out of runners. The seven members, however, remained steadfast in enthusiasm and competed well against the other schools. One could consider the year quite a success as six of the boys were able to win letters.

Mr. Albright was the track coach as well as cross-country.
